While we recognize that today's economic climate has brought us to this decision, we remain committed to serving the greater Fitchburg market. Therefore, we also announce the formation of a **FREE** delivery service from our Lunenburg Road store (please call store for details). You will be able to get all of the fine products that you have relied upon us for delivered direct to your home **FREE**.

We would also love for you to shop our Lunenburg Road store. The store is new, clean, friendly and well stocked. All of your rewards points, gift cards and store credits will be transferred there for you.

If going in the Gardner direction is more convenient for you, we can arrange to have your information transferred to Gardner Agway. The Gardner Agway store is located at 633 West Broadway (Route 2A). This store is also well suited to supply all of your needs.
